

BT INTERNET & PROTASK SERIES

ONE SIZE DOES NOT FIT ALL

If you don't fit the description of average height and weight, don't settle for a 'one size fits all' approach to your chair. RFM has expanded its selection of Big & Tall options that now includes a new version for both the Protask and Internet series. These chairs look like the regular Protask and Internet, but are able to accommodate weight up to **400 lbs.** Experience true comfort for the very first time sitting in a chair designed for your body that provides the ergonomic fit you deserve.
