FEATURES & BENEFITS

- Available in Task, Conference and Executive options.
- Comfortably accommodates up to 300 lbs.
- The patented back is built with 11 torsion spring-loaded joints that take an exact spine impression which can be locked in place at the touch of a lever.
- Verte Task features black ribs, a nylon base, and a multi-function control.
- Verte Conference features loop arms, a syncro control, nylon base, and a black conference rib pattern.
- Verte Executive model features headrest, brushed aluminum & black rib options.
- Black leather is standard; all models are available in fabrics by request.

A good fit for every body.

VERTE  
2200 SERIES

## IDEAL POSTURE

Imagine settling into a chair that molds itself to your spine's unique shape. Inspired by the human vertebrae, the Verte combines ergonomics, form and function to produce the ultimate in seating posture and comfort. A decade in the making, the Verte was created by a team of engineers, designers, and ergonomists, and is truly one of a kind. Sit in it once, and you'll never settle for anything less.
